Making a Savings Plan

SAVING FOR SPECIFIC ITEMS

Payments are set amounts of money that are paid at set times. Payment amounts depend on three factors: (1) total cost, (2) when you need to make the purchase, and (3) how much you can afford to save each week. Fill in the missing details in the chart below. Round money and weeks up to the nearest whole dollar or week.

| ITEM | COST | NUMBER OF WEEKS | AMOUNT PER WEEK |
|----------------|---------------------|--------------------|---------------------|
| Baseball bat | \$45 | Need in 13 weeks | |
| Jeans | \$54 | 9 | Can afford \$5/wk |
