

Reading Instructions for Installing Batteries

Directions Read the instructions below. Then, answer the questions.

Installing Batteries
(Game requires three button-cell batteries, model AG13.)

Unscrew the battery compartment cover on the back of the unit using a screwdriver, and remove the cover. If used batteries are already installed, pry them out carefully using the tip of your finger. Discard used batteries. Install new batteries matching the “+” and “-” on the terminals with the “+” and “-” on the batteries. Replace the battery compartment cover and the screw.

For longer life, use only alkaline batteries.

1. What kind of batteries does this game require? _____
