STOPPING PAYMENT ON A CHECK

Banks provide a stop payment service to their customers. A stop payment can be used to cancel a check that a person has already given someone. The fee charged for a stop payment varies from bank to bank. Use the "Stop Payment Information" box to fill in the form below.

STOP PAYMENT

STOP PAYMENT INFORMATION

Your checking account number is 3558991064. You want to stop payment on check #664, which was written two days ago and made out to the Jim's Auto Repair for \$345.

After stopping payment, you change your mind. Fill in the Release section at the bottom of the "Stop Payment" form.
