Values

Values are the things in life that are most important to a person. You have personal values that are unique. Your values are influenced by your childhood experiences, your family, and your friends. Your personal values will often influence your career choices. Think about your values when you consider different careers. Spending time thinking about yourself and doing informal assessments can help you determine your values.

These careers may be of interest to you if you value the following:

- | | |
|-----------------------|---|
| Adventure | careers that provide a variety of interesting or exciting tasks and allow you to take risks |
| Aesthetics | careers that involve places or tasks that are visually attractive |
| Creativity | careers that allow you to exercise your imagination |
| Fame | careers that allow you to be recognized |
| Family | careers that allow you to choose to have a set number of hours per week or a flexible work schedule |
| Health | careers that encourage healthy living |
| Humanity | careers that allow you to help people |
| Money | careers that allow you to make large amounts of money |
| Power | careers that allow you to demonstrate your leadership abilities |
| Social Contact | careers that include working with other people |
