How Is College Different?

High school students are not always aware of how different college is from high school. Pick a college, and compare the topics listed below with your current high school.

Write your answers to the following questions on a separate sheet of paper:

1. What are the different costs of high school and college?
2. Homework and late assignments are dealt with differently. How do you think they differ?
3. How many hours a day are you at high school compared to college?
4. How many weeks are in a semester at high school? At college?
5. What is the cost of textbooks at high school? At college?
6. What classes are you required to take to graduate from high school? From college?
7. If you need to talk to a teacher, how do you go about doing it in high school? What will you have to do to meet with a teacher in college?
8. If you are absent one day, who will provide you with the information and homework that you missed at high school? At college?
9. How will taking notes at college be different than at high school?
10. How many hours do you study outside of class in high school? How many hours do you think you will need to study outside of class in college?
